Agile Therapeutics Announces Pricing of Its Public Offering of Common Stock

PRINCETON, N.J., Aug. 03, 2017 (GLOBE NEWSWIRE) -- Agile Therapeutics, Inc. (Nasdaq:AGRX), a forward-thinking women's healthcare company, today announced the pricing of its underwritten public offering of 5,333,334 shares of its common stock at a public offering price of \$3.75 per share. The gross proceeds from the offering, before deducting underwriting discounts and commissions and estimated offering expenses payable by Agile Therapeutics, are expected to be approximately \$20 million. In addition, Agile Therapeutics granted the underwriters a 30-day option to purchase up to 800,000 additional shares of common stock at the public offering price, less the underwriting discounts and commissions. All shares in the offering will be sold by Agile Therapeutics.

The joint book-running managers for the offering are William Blair, RBC Capital Markets, and Cantor Fitzgerald & Co. In addition, Janney Montgomery Scott is acting as lead manager and Noble Capital Markets is acting as a co-manager.

The offering is expected to close on or about August 8, 2017, subject to customary closing conditions.

The shares of common stock described above are being offered by Agile Therapeutics pursuant to its shelf registration statement on Form S-3 previously filed and declared effective by the Securities and Exchange Commission. About Agile Therapeutics, Inc.

Agile Therapeutics is a forward-thinking women's healthcare company dedicated to fulfilling the unmet health needs of today's women. Our product candidates are designed to provide women with contraceptive options that offer freedom from taking a daily pill, without committing to a longer-acting method. Our lead product candidate, Twirla[®], (ethinyl estradiol and levonorgestrel transdermal system), also known as AG200-15, is a once-weekly prescription contraceptive patch that recently completed Phase 3 trials. Twirla is based on our proprietary transdermal patch technology, called Skinfusion[®], which is designed to provide advantages over currently available patches and is intended to optimize patch adhesion and patient wearability.

Forward-Looking Statement

Certain information contained in this press release includes "forward-looking statements" within the meaning of The Private Securities Litigation Reform Act of 1995, including statements related to our public offering and potential market opportunity for our product candidates. We may, in some cases use terms such as "predicts," "believes," "potential," "continue," "anticipates," "estimates," "expects," "plans," "intends," "may," "could," "might," "will," "should" or other words that convey uncertainty of the future events or outcomes to identify these forward-looking statements.
