Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 24, 2016, the Board of Directors (the "Board") of Agile Therapeutics, Inc. (the "Company"), appointed Ajit S. Shetty, Ph.D., as a director and as a member of the Board's Science and Technology and Nominating and Corporate Governance Committees. Dr. Shetty will serve as a Class III member of the Board. The terms of Class III directors expire at the 2017 Annual Meeting of Shareholders.

Dr. Shetty spent 36 years at Johnson & Johnson ("J&J") in a wide range of global roles. From 2007 to 2012, he served as Corporate Vice President Enterprise Supply Chain reporting to the CEO and was responsible for the transformation and optimization of J&J's supply chain. Dr. Shetty served as Managing Director of Janssen Pharmaceutica, Belgium from 1999 to 2008, and was part of the management team that grew the Janssen Group of Companies from \$1 billion to \$8 billion in global sales. Dr. Shetty held the position of Executive Vice President Finance from 1991 to 1999. As President of Janssen Pharmaceutica, U.S. from 1984 to 1990, Dr. Shetty was responsible for in-licensing Durogesic, the first transdermal pain medication, which became the fourth largest J&J product in 2008, with sales reaching \$2 billion. In recognition of his unique services as a business leader, Dr. Shetty was awarded the Right Honourable Sir and Title of Baron by King Albert II of Belgium in 2008 and the Life-Time Achievement Award by India in 2010. He was elected "Manager of the Year 2004" by the magazine Trends and Kanaal Z. Dr. Shetty serves as a Trustee of Carnegie Mellon University and has served on the corporate Advisory Board of Johns Hopkins Carey School of Business, the Board of Governors for GS1 (Global Standards), the Board of MCB Forum as Chairman, and the Supervisory Board of Cilag GMBH in Switzerland. He earned a Ph.D. in Metallurgy and B.A. Natural Sciences from Trinity College, Cambridge University and a Master of Business Administration from Carnegie Mellon University.

Dr. Shetty will receive the standard compensation amounts payable to non-employee directors of the Company, as described in the Company's proxy statement for the 2015 annual meeting of stockholders. His annual cash retainer will be pro-rated for 2016 to reflect his expected term of service during the calendar year. Also pursuant to these arrangements, on February 24, 2016, Dr. Shetty received an initial grant of an option to purchase 21,000 shares of the Company's common stock with an exercise price equal to the closing price of the Company's common stock on the date of grant. The option vests in three equal annual installments beginning on February 24, 2017, subject to the his continued service on the Company's Board through each vesting date and provided that he attends at least 75% of the Board meetings held during each respective year of Board service.

Dr. Shetty and the Company will also enter into an indemnification agreement requiring the Company to indemnify him to the fullest extent permitted under Delaware law with respect to his service as a director. The indemnification agreement will be in the form entered into with the Company's other directors and executive officers, which was previously filed with the Company's Registration Statement on Form S-1 in connection with its initial public offering in May 2014.

There is no arrangement or understanding between Dr. Shetty and any other person pursuant to which Dr. Shetty was appointed as a director. The Board has determined that Dr.

Shetty is an independent director in accordance with applicable rules of the Securities and Exchange Commission and the Nasdaq Stock Market.

Also on February 24, 2016, Andrew Schiff, M.D., a director of the Company, notified the Company's Board that he was resigning from the Board, effective immediately, so that he may devote his full time efforts to his other commitments. The Company notes that Dr. Schiff's resignation was not the result of any disagreement with the Company relating to the Company's operations, policies or practices. The Company and the Board wish to thank Dr. Schiff for his dedication and service to the Company.

In connection with Dr. Shetty's appointment and Dr. Schiff's resignation, the Company's Board of Directors appointed John Hubbard, Ph.D., FCP, a current director of the Company, to serve as a member of the Board's Audit Committee in place of Dr. Schiff, and replaced Dr. Hubbard on the Board's Nominating and Corporate Governance Committee with Dr. Shetty.

Item 7.01 Regulation FD Disclosure

On February 24, 2016, the Company issued a press release announcing that Dr. Ajit S. Shetty, Ph.D., had been appointed to the Company's Board and that Dr. Andrew Schiff, M.D., was stepping down from the Company's Board. The Company is furnishing a copy of the press release, which is attached hereto as Exhibit 99.1.

In accordance with General Instructions B.2 and B.6 of Form 8-K, the information included in Item 7.01 of this Current Report on Form 8-K (including Exhibit 99.1 attached hereto), shall not be deemed "filed" for the purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference into any filing made by the Company under the Exchange Act or the Securities Act of 1933, as amended, except as shall be expressly set forth by specific reference in such a filing.

**Agile Therapeutics Appoints Ajit S. Shetty, Ph.D., to its Board of Directors
Andrew Schiff, M.D. to step down from the Board**

PRINCETON, N.J., February 24, 2016— Agile Therapeutics, Inc., (Nasdaq: AGRX) today announced that Ajit S. Shetty, Ph.D., has been appointed to the Company's Board of Directors, effective February 24, 2016. Dr. Shetty will serve on Agile's Science & Technology and Nominating & Governance Committees.

"Dr. Shetty's extensive pharmaceutical experience and expertise leading commercial operations, including manufacturing and supply chain management, will be a valuable contribution to our Board," said Al Altomari, President and Chief Executive Officer of Agile. "We welcome Ajit to our Board and look forward to his insight and guidance as we continue to execute on our core strategy to develop innovative women's contraceptive healthcare products."

Dr. Shetty spent 36 years at Johnson & Johnson ("J&J") in a wide range of global roles. From 2007 to 2012, he served as Corporate Vice President Enterprise Supply Chain reporting to the CEO and was responsible for the transformation and optimization of J&J's supply chain. He earned a Ph.D. in Metallurgy and B.A. Natural Sciences from Trinity College, Cambridge University and a Master of Business Administration from Carnegie Mellon University.

Additionally, Agile announced that Andrew Schiff, M.D., has stepped down from his role on the Company's Board of Directors effective February 24, 2016, in order to devote his full time efforts to his other commitments.

"I would like to thank Drew for the insights, guidance and support he provided throughout his long-standing tenure on Agile's board," stated Mr. Altomari.

In connection with Dr. Shetty's appointment and Dr. Schiff's resignation, the Company's Board of Directors appointed John Hubbard, Ph.D., FCP, a current director of the Company, to serve as a member of the Board's Audit Committee in place of Dr. Schiff, and replaced Dr. Hubbard on the Board's Nominating and Corporate Governance Committee with Dr. Shetty.

About Agile

Agile Therapeutics is a women's health specialty pharmaceutical company focused on the development and commercialization of new prescription contraceptive products. Our product candidates are designed to provide women with contraceptive options that offer greater convenience and facilitate compliance. Our lead product candidate, Twirla®, (ethinyl estradiol and levonorgestrel transdermal system), also known as AG200-15, is a once-weekly prescription contraceptive patch currently in Phase 3 clinical development. Twirla is based on our proprietary transdermal patch technology, called Skinfusion®, which is designed to provide advantages over currently available patches and is intended to optimize patch adherence and patient acceptability.
